

# About using the toilet

**Please use the toilet while sitting.**

**Be sure to flush after use.**

**Do not flush anything other than bodily waste & toilet paper.**

※Do not flush pocket tissues, food and drink (food waste, etc.), used oil, cigarette butts, etc as it may cause clogging.

**In case of clogging, please use a plunger yourself or contact a plumber yourself.**

※In most cases, it can be treated with a plunger.  
Thank you for your understanding.

# About cleaning the toilet

**Please clean the toilet frequently. If it continues to be used without cleaning, it will cause odors and grime to stick, and insect outbreaks.**

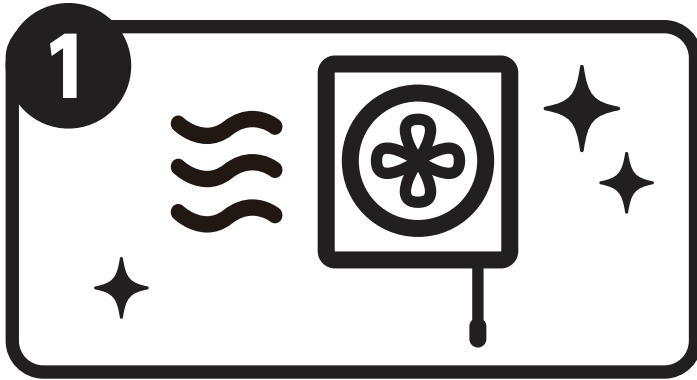

※If the stain is severe, you may be charged a special cleaning fee after moving out. Thank you for your understanding.  
※We ask that you prepare toilet paper and cleaning detergent yourself.

---

In the event of other intentional negligence, we may charge a special cleaning fee after moving out. Thank you for your understanding.

---

# About the use of bathrooms and sinks

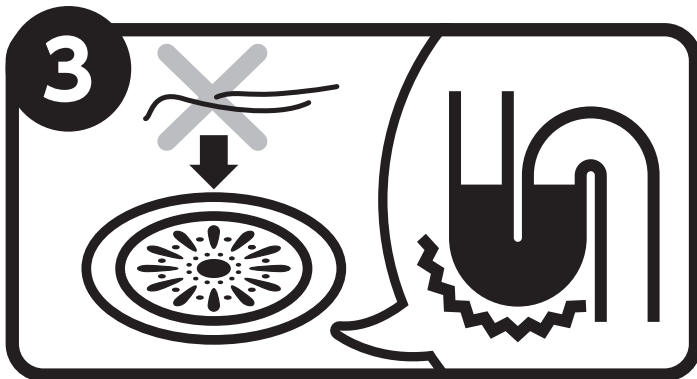

**1** To prevent mold, ventilate well after use and clean regularly.

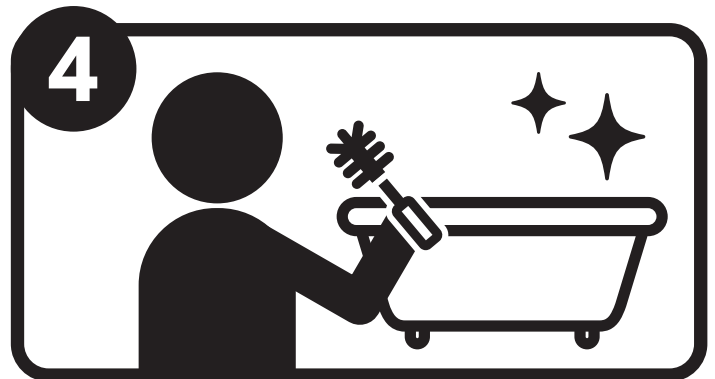

**2** If left with water droplets stuck to the bathroom mirror, calcified water stains will occur.

※After use, wipe it off with a dry towel to prevent it from occurring.

**3** If your hair goes into the drain, it may cause clogged piping, so please prevent hair from going down the drain.

**4** Be sure to clean regularly.

※If you continue to use it without cleaning the bathroom, soap scum such as shampoo will stick to it.  
※Do not dye your hair in the bathroom.  
※If the soap scum sticks badly, if the bathroom is dirty due to hair dyeing, or if there is any other intentional negligence, we may charge a special cleaning fee after moving out. Thank you for your understanding.

**5** If you leave a metal hairpin or shampoo bottle unattended, it will rust and/or cause color stains.

※In the event of other intentional negligence, we may charge a special cleaning fee after moving out. Thank you for your understanding.

# About the use of the kitchen

1

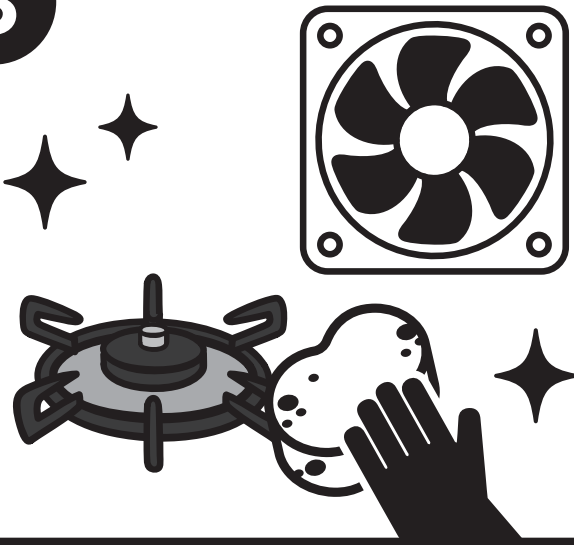

Do not pour used oil or food waste into the drain as it may cause clogging and odor.

2

Please clean the drain filter and drain basket.

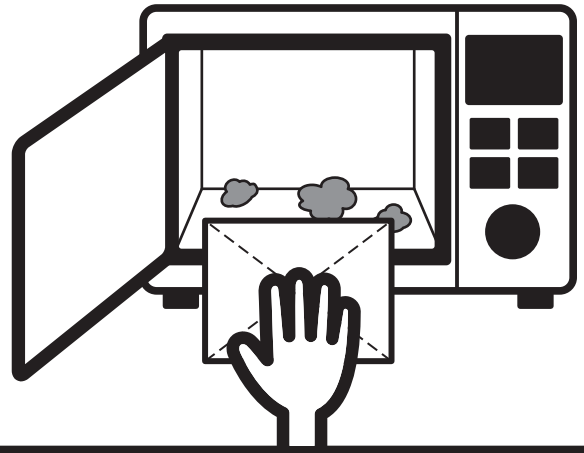

3

Please clean the ventilation fan, kitchen hood, sink and stove regularly.

※If the stain is severe, we may charge a special cleaning fee.  
Thank you for your understanding.

4

If there are spills in the microwave, please clean it immediately.

※If left uncleaned, it will cause stains and odor.
